

Nativo Lodge

A Heritage Hotel & Resort

A blend of the traditional and the contemporary, Nativo Lodge offers a one-of-a-kind experience. The renovation of the Nativo Lodge adds a modern touch to the Pueblo styling and colors. Storytelling totems line the drive to the front entrance and the soaring lobby features a towering sculpture by Horacio Cordova, along with reading areas and plush seating that encourage folks to linger and socialize. The 147 guest rooms and suites offer the highest quality linens and pillows to ensure a blissful night's sleep. Each room displays historic Native American photography, along with traditional basketry and dreamcatchers. The custom carpets sport a colorful Navajo blanket design. After a restful night, enjoy a delicious hot breakfast buffet in the Spirit Wind's Restaurant with their traditional recipes, all made from scratch. A Heritage Hotel and Resort property, Nativo Lodge can accommodate groups of up to 255 people in their flexible event space, and offers a full banquet kitchen on site. One of the unique amenities is the large swimming pool that is partially indoors and partially outdoors. Enjoy the many attractions in the area, including the International Balloon Fiesta held every fall, or browse through the historic Old Town district.
